

SHAY GOKHALE
Financial Analyst

Shay joined the asset management team in 2016 as a Financial Analyst. He is involved in leasing, running financial projections, budgeting and underwriting development projects for the Billingsley office portfolio.

Shay started his career as a Structural Engineer at L.A. Fuess Partners. At Fuess, Shay was involved in planning, design, analysis, and construction administration of commercial construction projects including office, senior living, data centers, and healthcare. After several years in engineering, Shay joined Deloitte as a real estate valuation consultant where he was involved in fair market valuation of commercial properties, acquisition due diligence and lease audits.

He holds a Master in Civil Engineering from Texas A&M University and a Master in Business Administration from Southern Methodist University. He loves biking, hiking and is an active member with the Texas Real Estate Council.
