

SUMNER BILLINGSLEY

Vice President of Multi-Family and Retail Development

As the Vice President of Multifamily and Retail Development, Sumner's focus is Multi-Family design, construction, marketing and brand development. In addition she is responsible for overseeing all Retail development, marketing and leasing.

Sumner joined Billingsley in 2014 as a Retail Asset Manager. Prior to joining Billingsley, she worked in Business Development for CBRE in New York. Sumner began her career at Trammell Crow Company in Los Angeles where she worked in Development and Acquisitions.

Sumner earned her Bachelor's Degree from University of Southern California in 2009 and her Masters in Real Estate Development from Columbia University 2013.
