Preferred Attributes:

- Reasoning Ability to apply sound judgment in carrying out instructions, which come in either written, oral, or diagram form
- Language skills to read and interpret documents such as safety rules, operating and maintenance instructions, and procedure manuals
- Apply knowledge of property-specific information to support contractors engaged to perform maintenance of one or more building systems

Benefits:

- Medical, dental and vision insurance available
- 401(k) with generous company match
- Company paid parking

About Billingsley Company:

Founded in 1978 by Lucy and Henry Billingsley, the organization expertly builds, owns and manages its properties, ensuring long-term client, resident and partner return.

Specializing in master-planned developments and principles of new urbanism, each Billingsley property signifies technology, convenience and a vast array of amenities aimed to attract and retain tenants, residents, visitors and employees. These amenities include art, sculpture, parks, trails and outdoor public spaces.

Delivering smart design integrated with artistic works and natural spaces, Billingsley Company's developments are life-enhancing communities in which to work, live, play, shop and dine.
