

MARIJKE LANTZ

## Senior Vice President of Investments

As Senior Vice President of Investments, Marijke Lantz is responsible for the acquisition of office, industrial, multi-family, retail and land to grow the Billingsley Company's real estate portfolio.

Ms. Lantz has 25 years of experience in commercial real estate including asset management from acquisition to disposition. Before joining Billingsley, she was Senior Vice President and Acquisitions Officer at Valencia Capital Management and before that Managing Director responsible for the Asset Services Group for Cushman & Wakefield in Dallas. This role included property management, project leasing and facility management for more than 19 million square feet with properties located throughout the U.S. .

Prior to her time with Cushman & Wakefield, Ms. Lantz was a Vice President at the Archon Group (a Goldman Sachs Company) and was responsible for the overall operations of the commercial asset management group. This included more than 180 commercial assets located throughout the United States totaling over 32 million square feet.

Mrs. Lantz earned her Bachelor of Arts from Western State College in 1982. She graduated with honors from the University of Dallas with a Masters of Business Administration in 1985.
